A Note From the Director

Welcome to the electrifying world of "Grease"! We are thrilled to present this iconic tale of teenage love, friendship, and rebellion set in the 1950s.

Grease is more than just a musical – it's a cultural phenomenon that has captivated audiences for generations. From the moment the curtain opens, you'll be transported to Rydell High, where the T-Birds and Pink Ladies rule the school with slick hair, leather jackets, and attitude.

As we bring *Grease* to life on stage, we pay homage to the spirit of the original Broadway production while infusing it with fresh energy and our own unique interpretation. From the iconic songs like "Summer Nights" and "Greased Lightning" to the dynamic choreography and vibrant costumes, every aspect of this production has been carefully crafted to capture the essence of the 1950s and the rebellious spirit of youth.

I am immensely proud of the dedication and talent of our cast and crew, who have poured their hearts and souls into bringing this beloved musical to life. We invite you to sit back, relax, and let the magic of *Grease* sweep you off your feet.

So, grab your leather jackets, put on your dancing shoes, and get ready to hand jive the night away! Thank you for joining us on this unforgettable journey back to Rydell High.

With warmest regards,

Bob Maness
